

*Color Wheel
Scavenger Hunt!*

What is a color wheel? What are the colors in the color wheel? Watch the MEET JOE video to find out! (Video may be found below the project description)

Look all around your house to find small objects in each color of the rainbow and make a big color wheel on the floor or a table!

Photograph your work of art with your smart device and share with Mr. Herring, either through his e-mail or the Ebby Halliday ES Facebook page. Make sure to include your name and grade in your email.

I can't wait to see what you have created!

Here is an example created by Mr. H!
