Draw What You Hear!

Parent, choose a song for students to listen to.

Scholar, listen to the song one time.

Now, get your art supplies and listen to the song again.

As you listen to the song draw what you hear or feel.

There is no right or wrong, just be creative.

Photograph your works of art with your smart device and share with Mr. Herring either through his e-mail or the Ebby Halliday ES Facebook page. I can't wait to see what you have created!
